## **GTTI's Service Delivery Model**

### **Mission**

*Georgina Trades Training Incorporated is committed to providing innovative learning partnerships that fulfil the community's and individuals needs and aspirations both current and future.*

## Student Story

Spencer Melville

- Client of GTTI's in the Automotive Service Technician pre-apprenticeship.
- He was a Sutton Youth Shelter resident, and was struggling to find his way in life.
- Spencer worked through his challenges and persevered through all aspects of the 38 week pre-apprenticeship Program.
- Completed his academic upgrading through the Learning Centre for Georgina and was diligent in his focus on the secondary trades of small engine and marine engine mechanic, finishing the program successfully.
- Spencer was able to find a work placement which lead to employment. Spencer was able to get back on his feet, start pursuing a career, and moved out of the Youth Shelter.

## GTII

- In its 12<sup>th</sup> Year of Providing Quality Training to the Community
- 10,000 Served since it's beginning in 2006.
- Town of Georgina was a Founding Member!

THANK YOU GEORGINA!

**GEORGINA**

## GTTI in 2020 – Planning for Our Second Decade

- New Strategic Plan
- Identified Need
- National shortage of skilled trades is reaching a crisis stage (CBS)
- GTTI Skilled Trades Institution

## Skilled Trades Institution

Electrical Pre Apprenticeship Program

### NEXT STEPS

- Secure Funding for Needs Assessment and Business Plan
- Market to All Levels of Government
- Seek Capital Funding

## Economic Benefits to York Region

- The average college level student spends approximately \$17,000 per year on tuition, housing, food, entertainment and transportation.
- It follows that at a modest opening 500 student facility would generate annual direct financial benefit to Northern York Region of \$8,500,000.
- Most of this economic activity would stay within the community and have a significant multiplier effect.

# THANK YOU
