1. CALL TO ORDER- MOMENT OF MEDITATION

“We would like to begin today’s meeting by acknowledging that the Town of Georgina is located over lands originally used and occupied by the First Peoples of the Williams Treaties First Nations and other Indigenous Peoples and thank them for sharing this land. We would also like to acknowledge the Chippewas of Georgina Island First Nation as our close neighbour and friend, one with which we strive to build a cooperative and respectful relationship.”

Council recognized the passing of Bruce Welch at the age of 92, a former Councillor for the Town of Georgina from 1971 to 1978 and for the Township of North Gwillimbury in the late 1960's.

2. ROLL CALL

As noted above

3. COMMUNITY ANNOUNCEMENTS

- Mike Walters, CAO, LSRCA, has announced his retirement
- **Lawrence Artin** provided a brief update on the construction of the Pefferlaw Fire Hall since the inception of Silver Birch's contract on August 1st; quality of work has been satisfactory to date, on schedule for occupancy
- **Chief Jenkins** provided a brief update on the reopening of some Town facilities; still very much in pandemic mode, must maintain vigilance against the virus, Province pausing of further relaxation of public health measures at this time
- successful reopening of De La Salle Park and beach, now it will see a reduced level of staffing to October 9, portable toilets to be removed this week and fencing tentatively to be removed the week of September 14, somewhat weather dependent
- between September 8 and October 2, all other waterfront parks, beaches and parking lots will be reopened in a staged and measured process, fencing will be removed, signage installed, removing barriers/padlocks within parking lots, opening playground equipment, placement of waste receptacles and portable toilets if warranted; dates are tentative
- Pefferlaw Park Dam, Mill Pond and Virginia Wharf opening in first phase September 8
- EOC approved marriage license pilot project as of September 3 with all appropriate protocol for safety
- use of garbage bag tags reinstated the week of September 28
- roadway digital signs will be removed after September 18

- Beginning the week of Sept. 12 through to September 15, with the exception of the Civic Centre, reopening of facilities and amenities will reopen in a staged process; Ice Palace September 14, the Link September 19, Georgina Libraries September 22
- reminded residents to remain vigilant on physical distancing, wearing masks, frequent hand-washing, maintaining social circle; will take time to determine the impact, if any, this will have on the number of COVID cases
- protocols to follow for facilities being reopened
- Sutton Arena will remain closed at this time. Ice Palace is at approximately 85% capacity with 2 rinks open and staff from the Sutton Arena is needed at the Ice Palace to meet all protocols
- COVID testing facility potentially could be available at the Sutton Arena and suggested a formalized partnership respecting immunization/vaccination centres; EOC assisting Nurse Practitioners with public health in this regard

None

7. ADOPTION OF MINUTES (none)

8. SPEAKERS (none)

9. DELEGATIONS/ PETITIONS

1. Gerald Jackson requesting implementation of speed deterrents in the Holmes Point Road area.

Gerald Jackson advised Council that Holmes Point Road requires the installation of speed deterrents such as speed bumps as well as reducing the speed limit to 40 km/h along the entire length of Holmes Point Road in order to reduce the speed of vehicles travelling that road as some vehicles travel at 80 - 100km/h.

RESOLUTION NO. C-2020- 0265

Moved By Councillor Fellini

Seconded By Councillor Neeson

That the delegation made by Gerald Jackson requesting speed deterrents be implemented along Holmes Point Road be received and that the request be referred to the Georgina Safe Streets Committee to consider such deterrents as flexible bollards, rumble strips, road markings and speed reduction to 40 km/h along the entire road.

Carried

Council also suggested the residents request the installation of 'Caution - Children At Play' signs along Holmes Point Road, if not already in place at this time, as a speed deterrent.

2. Karen Vangennip respecting the modernization of the Animal Control bylaw to reflect partnering municipalities; cats at large.

Karen Vangennip requested that the Animal Bylaw be modernized by adding domestic cats into the bylaw; cats are constantly at large in her community.

Mike Hutchinson advised that it is illegal to let your cats roam and if they are captured and taken to the Animal Control Shelter, fees are required to be paid upon redemption.

RESOLUTION NO. C-2020- 0266

Moved By Councillor Fellini

Seconded By Councillor Neeson

That the delegation made by Karen Vangennip requesting the modernization of the Animal Control bylaw by adding domestic cats in order to provide more control over the roaming of cats at large be received and referred to the Manager of Municipal Law Enforcement for discussion with the Municipal Animal Control Group, and provide an update to Council when available.

9. DELEGATIONS/ PETITIONS

- 9.2 Karen Wolfe respecting the status of the rehabilitation of the Pefferlaw Dam and future plans.

Karyn Wolfe advised that as a representative of 'Friends of the Dam', she requested Council to engage with other levels of government and agencies to do whatever it takes to ensure the full repair and maintenance of the Pefferlaw Dam and requested assurance that the operation of the dam would continue under the Town's control. She advised that the Lake Simcoe Region Conservation Authority Board intends to discontinue management of the dam at the end of 2020, that the Authority's report indicated that it would remove the boards in the fall of this year and that

would be the last action they would be responsible for. Ms. Wolfe also requested that Council consider the Pefferlaw Dam situation during its 2021 budget negotiations. She indicated that the Authority only took over management from the Town in order to secure funding from the Province at that time. The dam is an historical landmark, has valued historical significance and is an operational structure that Council should continue.

Mayor Quirk advised that the Board has made no definitive decision regarding discontinuing management of the dam at this point, that issue has been deferred and could be extended.

RESOLUTION NO. C-2020- 0271

Moved by Councilillo Sebo

Seconded by Regional Councillor Grossi

That the delegation made by Karen Wolfe, representing the 'Friends of the Dam' requesting Council take whatever measures necessary to ensure the repair and continued maintenance of the Pefferlaw Dam and to consider this situation during its 2021 budget deliberations, be received.

12. REPORTS

2. Reports Requiring Separate Discussion

12.2.5 Ontario Water Centre's Request for a Loan to support the Installation of Utilities at 1614 Metro Road North

Report No. CAO-2020-0010

- suggested assets and securities be specified between Georgina Trades Training Inc. (GTTI) and the Ontario Water Centre (OWC)

Harold Lenters;

- Ontario Water Centre (OWC) has proposed a water/sewer plan for their property, originally separate from the GTTI. The OWC is to bring servicing along Lake Drive to its property, then GTTI is to bring servicing down to the Metro Road end of the property; the GTTI will be connecting to the servicing that the OWC is putting in; it will be one integrated system. If the OWC cannot proceed, the cost to the GTTI is considerably more as they were relying on being able to connect to the OWC's infrastructure.

Owen Sanders;

- GTTI property water and sewer servicing will run through the OWC site, therefore the OWC infrastructure would need to be in place for the GTTI to proceed. GTTI's costs would increase dramatically if the OWC services are were in place.
- the sanitary servicing would be sized appropriately for future development for the use of the property.
- storm water can be resolved onsite.

Karyn Stone

- based on discussions with OWC, the cost of installing municipal water and sewer services to that site is far exceeding their original budget.

The OWC is to bring servicing along Lake Drive to their portion of the property, while the GTTI is to bring servicing down to the Metro Road portion of the property. If this project does not occur, the GTTI would need to bring servicing across Metro Road from Kennedy Road which would cost much more than connecting to the OWC servicing.

RESOLUTION NO. C-2020- 0272

Moved By Regional Councillor Grossi
Seconded By Councillor Sebo

That Report No. CAO-2020-0010 prepared by the Economic Development and Tourism Division, Development Services Department and Corporate Services Department dated September 9, 2020, respecting the Ontario Water Centre's request for a \$650,000 loan to support the installation of utilities at 1614 Metro Road North be received and deferred pending staff providing further clarification concerning any additional costs to provide infrastructure for the balance of the property, costs involved for the Georgina Trades Training Inc (GTTI) and for the Ontario Water Centre, the different options available, the dependence and associated costs of the GTTI development proceeding without the Ontario Water Centre infrastructure proceeding, any and all shared costs and responsibilities, for submission to Council at its September 23, 2020 meeting for consideration.

Carried
