#### Special Meeting

A special meeting of the Council of the Township of Georgina held at the Community Hall Pefferlaw on Tuesday the 15<sup>th</sup> day of August, called by the Reeve for the purpose of discussing the proposed development of the road from Leithridge north.

Moved by Deputy Reeve Taylor seconded by Councillor Pison that this Township is keenly interested in the development of the road from highway no 47 at Leithridge north through the Township of Scott to Udon where it approaches this Township. We believe it

to be in the Province's interest as well as our Townships to continue north from the village of Udora to the second concession of Georgina thence easterly to the Town line between York and Center Counties thence northerly to Highway no 48. We believe this route would serve many more people and save a lot of money in road building compared to turning east in the village of Udora. We would be very pleased if the Deputy Minister of Highways together with his engineer would meet the Council of the Township of Georgina in the very near future to discuss this important development, and that a copy of this resolution be sent to the Department of Highways and our local M.P.P. Major A.A. Mackenzie.
