SPECIAL MEETING - GEORGINA TOWNSHIP

DECEMBER 10th, 1957

A special meeting of the Municipal Council called by the Reeve for the purpose of dealing with important Police matters. Council met at 2.15 p.m. with all members of the Council present.

As the probation period for Police Constable Chilvers being up, the Police Chief was asked for a report on Constable Chilvers. The Police Chief referred the Council to his report of September 2nd, 1957 and verbally stated that in some instances Constable Chilvers had made improvements, but on the whole, not satisfactorily. A lengthy discussion then followed in regard to the co-operation between the Chief and Constable Chilvers, and also on the manner in which the Police Chief was dressed on certain occasions. The Reeve reported to the Council that on one occasion lately he had reason for calling the Police Chief to which the Chief responded; but on arriving at his place, seeing a certain car there, he immediately turned around and left without stopping at all. The Reeve stated that the Chief should have at least called to enquire what the call was for before leaving. Police Constable Chilvers was asked to give a report of his work as a Police Officer, stating that he did his work to the best of his knowledge. He said he knew that he had made some errors, but he also felt he should have more co-operation and guidance from the Chief as this work was all new to him. He also stated he would like to continue on as Police Constable.

After hearing the report of the Chief Constable and the report of Constable Chilvers, the following Resolution was submitted with the yeas and nays being demanded.

Moved by Councillor Pringle, seconded by Councillor Blanchard that whereas the probation period of B.W. Chilvers as Police Constable being expired, be it therefore resolved that he be hereby engaged as a Police Officer for this Municipality at an annual Salary of \$ 2,700.

Yeas: Ernest Rixon, W.E. Pringle, E.J. Norris, C. Blanchard

~~Councillor Blanchard gave notice of motion that he would move or cause to be moved a Resolution recommending that more co-operation be shown between the Police Chief and the Police Constable in the future, so that a more efficient service may be given the residents of this Municipality by the Police Force.
