Report

To the Municipal Council of the
Township of North Guillemburg
GentlemenYour Committee of Roads and Bridges
beg to Report as followsafternoon
sitting

First

That we have Examined the Side Road between Lots No 10 & 11 in the Lake Concession and found it necessary to have a drain dug from the Swamp to the Lake sufficient to carry off all the Surplus water and to use the earth taken out of the drain for partially turning the road, the ditch is 95 Rods in length your Committee has Examined the work since completed and found it satisfactory the whole was completed for \$30;

Secondly

We further state that we let a job of removing the Stone and ditching 51 Rods of the Road East of Sandy Point to Edward Sheppard for \$2 per Rod and found it in accordance with the Specification except one large Stone which he agrees to remove yet your Committee would further state that they would recommend the amount endorsed on the Note signed by himself and Israel Sheppard belonging to this Municipality less Ten Dollars to be withheld till the Stone is removed

Thirdly
they have
examined

Your Committee would further state that the 4th, 6th & 7th Concessions and the work done in expending the Monies entrusted to Lewis La Chappelle and George Glover and found the work well done and satisfactory to your Committee

Fourthly

Your Committee has accepted the former job let to Francis Connolly for fourteen Dollars and as there is not sufficient room for the water to pass through the Culvert we have authorized Th. Moore to take up and repair the said Culvert sufficient to let the water pass through and not run over the Road

Fifthly

We would further state that some measures should be taken to open the fourth concession line north of lot No 3 to the side line between lots No 5 & 6 in the 3rd concession and also to open the road leading from Richard Boyds house or place to the now travelled road, as he has no means of getting out without trespassing; All of which is humbly submitted
(Signed)
