Report of Special Committee (Appointed

Township of North Guilford) to search up
evidence in the Case of Hadgerow vs. Corporation

To the Municipal Council (and the Ratepayers
of the Township of North Guilford)

Gentlemen, The your Committee Appointed to
search up evidence in the Case of Hadgerow
versus the Corporation, and decide whether it would
be wisdom to make Application for a new hearing
by leave to report as follows,

That your Committee Met According to Appointment
and have made diligent search for other witnesses
that might be of importance in the matter, and
have failed to find any (the time being so short),
that would justify the Corporation in endeavouring
to ReOpen the Case.

(But the Opinion of your Committee is that at
least, one of the witnesses in the above Case
should be indicted for Perjury.)

And, after the search made by us (your Committee)
for other witnesses are of the opinion that the
Jury has done all in the matter that could
be reasonably done and would recommend that
(notwithstanding a very great injustice has been
done to the Corporation) the Costs be settled and the
matter dropped, } (Signed) He (Draper
