6 Mr. Scott
Sec^d by Mr. Glover Moves that the Petition
of Calvin Emes and others be not granted
for the following reasons.

1st Because upon Petition of all the owners of Property
along the Lake Shore Road in Section, the
Council has established a New Road by By-Law
in lieu of the Lake shore Road.

2nd For that there is no necessity of Putting the
Tax-Payers of this Municipality to the expense
of Opening and Maintaining two Roads,
When one will produce all the Convenience
required for Public Travel.

3rd According to the Opinion of Mr. Patterson,
Attorney, the Council has taken the Proper
Steps to carry out the Original Petition of
the owners of Property along the road in
Section
End

and that there is no difficulty in the way of the Council Closing the old Road Allowance as soon as the New Road becomes Travelable.

4 Because if we should open the old allowance for Road we would be breaking our Agreement made with the Petitioners at the time the New Road was given across their Property thereby Prejudicing our Chances in the Arbitration now Pending between Storratt and this Corporation, as well as leaving ourselves liable for heavy damages from each land owner along the New Road for Compensation.

5th That it is the Opinion of this Council that the time has Arrived, when we should adopt a firm Policy in this Matter. And that to give Justice to all Parties Concerned, we should make the New Road Travelable as soon as Possible, and carry out the Original Petition in its entirety
