Council met at Belhaven on Monday Nov 15th. All the members were present except Mr Smith.

A letter from Mrs Rita Young was read in which she requested a refund of part of 1943 taxes owing to the college on the property having been destroyed by fire. The Clerk was instructed to write Mrs Young that the Council did not consider a refund in order as the property was assessed as a summer home and the fire did not take place until the season was over.

Mr C. W. Pettit had written regarding his arrears of taxes asking the Council if they would remit the penalties as he had not received the bills until some of them were two years old. The reason was the Township officers did not have an address to send his bills to. Council ruled that he should pay the penalties as it was not up to the Township officers when his address was not furnished to them.
