Belhaven, August 5th, 1952.

Municipal Council met in Belhaven Hall on abovd date. All members present.

Moved by Wm. A. King and seconded by Chas. Richardson that minutes be adapted as read. CARRIED.

Representative of Beamish Construction Co. interviewed Council as to applying hot mix on a portion of road as an experiment. Council decided to leave matter over for the decision of road superintendent and engineer as to the extension of budget.

Mr. Howard from Crescent Beach addressed the Council along with delegations and stated that the Beaches had formed a master association for the purpose of presenting their requests to Council through a proper channel after it had been agreed upon by the representatives of association. Mr. Howard stated that the delegation had no feeling of antagonism toward the Council and wished to work out their problems in a democratic way. Their main request was to hold election day on a Saturday rather than Monday in order to give the working man a better chance to drive up here and vote.

Mr. Pollock replied to Mr. Howard and said he was quite in favour of the master association being formed as it would help simplify the problems if presented to Council through one representative or small group.

Mr. Prosser stated that he was not in favour of changing the election date until all ratepayers had a chance to voice their opinion of same.

Mr. Richardson opposed the change of election date without authority and consent being given by Township residents.

Mr. King was quite willing for the election to be held on Saturday provided every one was willing but thought more time and thought should be given to the problem before anything definite was decided upon.

Reeve Doyle could see no reason why the date had to be decided upon at once and that Council would consider matter very thoroughly and be prepared to give their decision to ratepayers well in advance of election day when by-law for same was passed by Council It was finally decided to give answer at September meeting.

Mr. Mathews of Plan 103, presented a deed of land west of lake shore rd. next to water front and asked Council to give permission to erect a fence. The matter was referred to solicitor for legal advice of same.

Mr. DeGuerre of Plan 186 requested the Council to write a letter to Mr. Caplin demanding that he remove his fence back off roadway to his own line on lot and that action must be taken by Sept. 15th also that hedge closer to pavement be moved bcak also.

Mr. Mathews and Mr. Cameron spoke to Council about Jansen trouble as usual.

Robt. Lang presented his tax bill for 1952 and asked for some adjustment of same. Council informed him that they had no power to do same.

Mr. Kerman of Island Grove suggested that someone be appointed to clean up the papers and rubbish scattered along roadway at Island Grove.

Wm. Pugsley asked Council to remember their donation to Sutton Horse Show.

Council decided to leave the matter of loaning chairs to Sutton Horse Show to Hall Board.

Ella Morton approached Council as to her being taxed for street lights. No action was taken on the matter.

Mr. Sinclair of Island Grove asked Council to decide election date within two weeks.

Mr. Doyle suggested that Sutton and Georgina should be consulted and be unanimous in changing election date.

Mr. Savlor approached Council as to the matter of Max Godrey erecting a building too close to his house and wanted council to try and detain Godfrey until matter was settled in Court.

Council decided to refer matter to Health Unit for the present.

Our solicitor Mr. Vale should be advised to search title of property in front of Sheppard property pt 15, on Lake side of road.

The request of Jean Machell to close one lot and give lot for road in lieu of same was refused.

BELHAVEN, June 2nd, 1952.

Municipal Council met in Belhaven Hall on above date. All members were present. Moved by Chas. Richardson and seconded by W. A. King that the minutes of last meeting be adapted as read. CARRIED.

Ralph Henry requested the Council to assume the responsibility of the expense of Mrs. Henry while a patient in Sutton Hospital.

Miss Lillian Holborn presented the Council with a deed to her property along water front. Miss Holborn stated that signs were posted on her water front and she intended to keep them there. Council decided that the matter was in hands of solicitor and that Council would abide by his decision.

Mrs. Link approached the Council about the validity of the building by-law and asked on what authority we issued only one building permit to 15000 square feet. Council stated that the Health Department and Planning Board were responsible for these restrictions but they did not apply to vacant lots purchased prior to 1951. A by-law had been passed by Council and was still in hands of Municipal Board for approval.

Mr. Geo. Bayne from Franklin Beach complained of the ratepayers on rear lots of sub-division not being able to use water front as signs were posted prohibiting them from using beach.

Mr. Smith from the Lighthouse claimed he he had a deed of land to water's edge and intended to hold his rights of possessions until Council proved otherwise.

Mr. Mathews and Mr. Cameron wanted to know if the Council were intending to enforce the by-law licensing all boats used for hire as Mr. Jansen was still annoying them.

Mrs. Doug Arnold discussed with the Council the problems of fair distribution regarding the donation to Athletic Club. Also the Council could obtain a grant from Government if a recreation commission was formed and all donations from Council handled by them.

P. M. Cole presented an application from Land and Forests Dept. to build a boathouse and breakwater on his water front at Glenwood Beach. Application was passed by Council.

Resolution was passed to approach the Municipal Board requesting them to approve Building by-law by advertising same in local papers without mailing each ratepayer a notice of by-law.

D. Menar was anxious to know if Council would state just when Athletic grant would be paid. Council informed him of their intention of forming a Commission to handle all grants.

The request from St. John's Ambulance Assoc. for a donation was not carried.

The Health Unit asked Council to pass a by-law to license all eating establishments and by-law was passed.

A letter from the County of York was read stating that they refused to pay more than their share of indigent patient rates of $2.50 per day and if Council assumed a greater rate, Township would have to pay difference 100%.

A letter from Mrs. Pratt of Pine Beach was read requesting that a building which is not according to by-law be removed. Council asked that such complaints should be signed by president of Association.

Council decided to have signs posted on Lake Shore directing traffic to Township Park.

The letter from Stanley Bruels asking for road improvement was referred to road superintendent.

The request for the roads in Young's Harbour to be taken over by Council was put aside until the District Engineer was consulted.

The application of Robt. Nicholson to gather garbage from Twp. park and public water fronts was discussed and decision was made to have Township employees remo

remove same.

The matter of ditch being opened back of NcNeil and Reed was referred to road superintendent and Engineer Bruce who suggested that instruments be used to decide course of water.

Resolution passed in instruct Mr. Vale, our solicitor, to take whatever steps were necessary to prevent signs from being posted on public beaches.
